

New Orthopedic Surgeon Joins Orthopaedic & Fracture Clinic

Jay Barry, MD, a specialist in orthopaedic surgery, has joined the Orthopaedic & Fracture Clinic of Hutchinson (OFC). A graduate of the University of St. Thomas and Creighton University School of Medicine, Dr. Barry completed his residency in orthopaedic surgery at Orlando Health in Florida. Following his residency, Dr. Barry completed a fellowship in sports medicine at TRIA Orthopaedic Center.

Dr. Barry was an associate physician with the Minnesota Vikings last season and was on the field as part of the medical staff for all the Vikings home games.

He also has provided medical staff coverage for the Twins, the Wild, the Timberwolves, the Lynx, and numerous high school sports teams.

Dr. Barry played hockey for the University of St. Thomas and Red Wing High School where he earned all-Missota Conference honors.

He also was named to the 1995 All- Tournament Team after Red Wing beat Hutchinson in the first round of the State Tournament. “Hutchinson had a great team that year. They beat us twice in the regular season and were undefeated up to that point,” Barry said.

From Little Leaguers to weekend warriors, Dr. Barry looks forward to working with patients of all ages and abilities. “I’m excited to be in Hutchinson as a part of OFC and am anxious to help patients and athletes at every level stay active and competitive,” Barry said. He will see patients at the Orthopaedic & Fracture Clinic of Hutchinson located at Plaza 15.
